Dear Sir:

Pursuant to the provisions of 37 C.F.R. Sections 1.56, 1.97 and 1.98, applicants submit herewith copies of the patents listed on the attached Patent and Trademark Office Form PTO/SB/08A for consideration during prosecution of the subject patent application.

The Examiner's attention is also directed to the commonly assigned applications (Attorney Docket Nos. 00-mAE2-283 and 00-mAE2-284) being filed concurrently herewith, as set forth on page 1, lines 3-9 of the specification; and commonly assigned, co-pending application Serial No. 09/506,871, filed on February 15, 2000. Copies of these applications, marked "COPY" on the first sheet thereof, are enclosed for convenience of reference by the Examiner.

Additional background information is discussed in the specification under the heading "Background Information."

This statement is filed solely for the purpose of complying with the pertinent rules of the Office and is not intended to be a substitute for an independent evaluation by the Examiner of the art cited or an independent search by the Examiner, and no representation of any nature is made or intended by the filing of this statement.

In addition to the applications and background information cited in the specification and in the documents cited on the Patent and Trademark Office Form PTO/SB/08A, applicants and/or their attorney may have been exposed to or considered additional art relating to the general class of the subject matter of the invention. However, if in fact such exposure or consideration has occurred, to the best of their recall or judgment, none of such art is prior art which is more relevant than the art cited.

Respectfully submitted,
